**Option:** *To assist in knowing how you heard about JPSD or why you have chosen this Dance School for your child's dance tuition, your short response would be greatly appreciated. Thank you for choosing JPSD and it is hoped that your association with the Dance School will be one of great value and learning experience for your child.*

**Disclaimer:** Encouragement, compliments and corrections will be given to your child for their personal growth and dance training development. On enrolment, please discuss this with your child so they are fully aware of all meanings and what to expect at JPSD. The dance training delivered at JPSD are based on proven 'methods' over many years, which is why all teachers at JPSD follow the specific requirements within the dance methods.
